AAMA Global Aggressive Growth ETF Model Portfolio

As of 9/30/2026

Portfolio Objective

The Global Aggressive Growth ETF portfolio seeks long-term appreciation of capital.

Portfolio Strategy

The following tactics and strategies are deployed within the Global Aggressive Growth ETF portfolio to support its capital appreciation objective:

- The portfolio is invested in exchange traded funds (ETFs) that primarily hold domestic and international common stocks.
- Holdings may be heavily weighted in ETFs that are aggressively managed and that specialize in small capitalization and emerging growth companies with significant concentrations in specific sectors, styles, and industries.
- Style, sector, and industry weightings will be managed according to AAMA's current evaluation of the relative value and future prospects for sectors of the equity markets.
- The portfolio targets a 15% allocation to international equity markets.
