ADVANCED ASSET MANAGEMENT ADVISORS

AAMA Growth Model Portfolio

As of 9/30/2026

Portfolio Objective

The Growth portfolio seeks long-term appreciation of capital.

Portfolio Strategy

The following tactics and strategies are deployed within the Growth portfolio to support its capital appreciation objective:

- The portfolio is invested in mutual funds that primarily hold domestic common stocks.
- Holdings may have significant concentrations in specific sectors of the economy.
- Style, sector, and industry weightings will be managed according to AAMA's current evaluation of the relative value and future prospects for the various sectors of the equity markets.

ADVANCED ASSET MANAGEMENT ADVISORS

Firm Overview

- Independent registered investment advisory firm
- Located in Dublin, Ohio—founded in 1999
- Stable and experienced investment team with over 120 years of combined investment experience

AAMA was founded in 1999 with one goal in mind – create a better investment experience. To do that, we manage risk-adjusted portfolios through a fundamental market pricing and sector valuation process. Through this process, which is grounded in black and white statistics, guided by a rich asset management history, and supported by a highly accessible service mentality, we aim to deliver portfolio performance that is reliable, understandable, and aligned with your long-term investment goals.

Disclaimer

The information in this report has been prepared by the investment staff of Advanced Asset Management Advisors (AAMA). Data within this report has been sourced through Morningstar Direct. The accuracy of fund and model information provided within is dependent upon the data available through Morningstar. AAMA calculated fund data may also be included, which may be sourced from outside of Morningstar. The report is based upon information available to the public, and while this information is believed to be reliable, AAMA makes no representation as to the accuracy and completeness of such information. This report is provided for informational purposes only. It is not to be construed as a recommendation to buy or sell, or a solicitation of an offer to buy or sell, any financial instruments or to participate in any particular trading strategy in any jurisdiction in which such an offer or solicitation would violate applicable laws or regulations.

This model portfolio includes allocation to one of AAMA's proprietary funds; AAMA Equity Fund (AMFEX). AMFEX has a fund expense ratio of 1.18%, which includes 0.03% in Acquired Fund Fees and Expenses (AFFE). Referenced AAMA fund expense ratios are as of 10/28/2025, as per the fund prospectus. Please refer to the fund prospectus for more information.
